Learning Journeys

Juniors 2022-2023

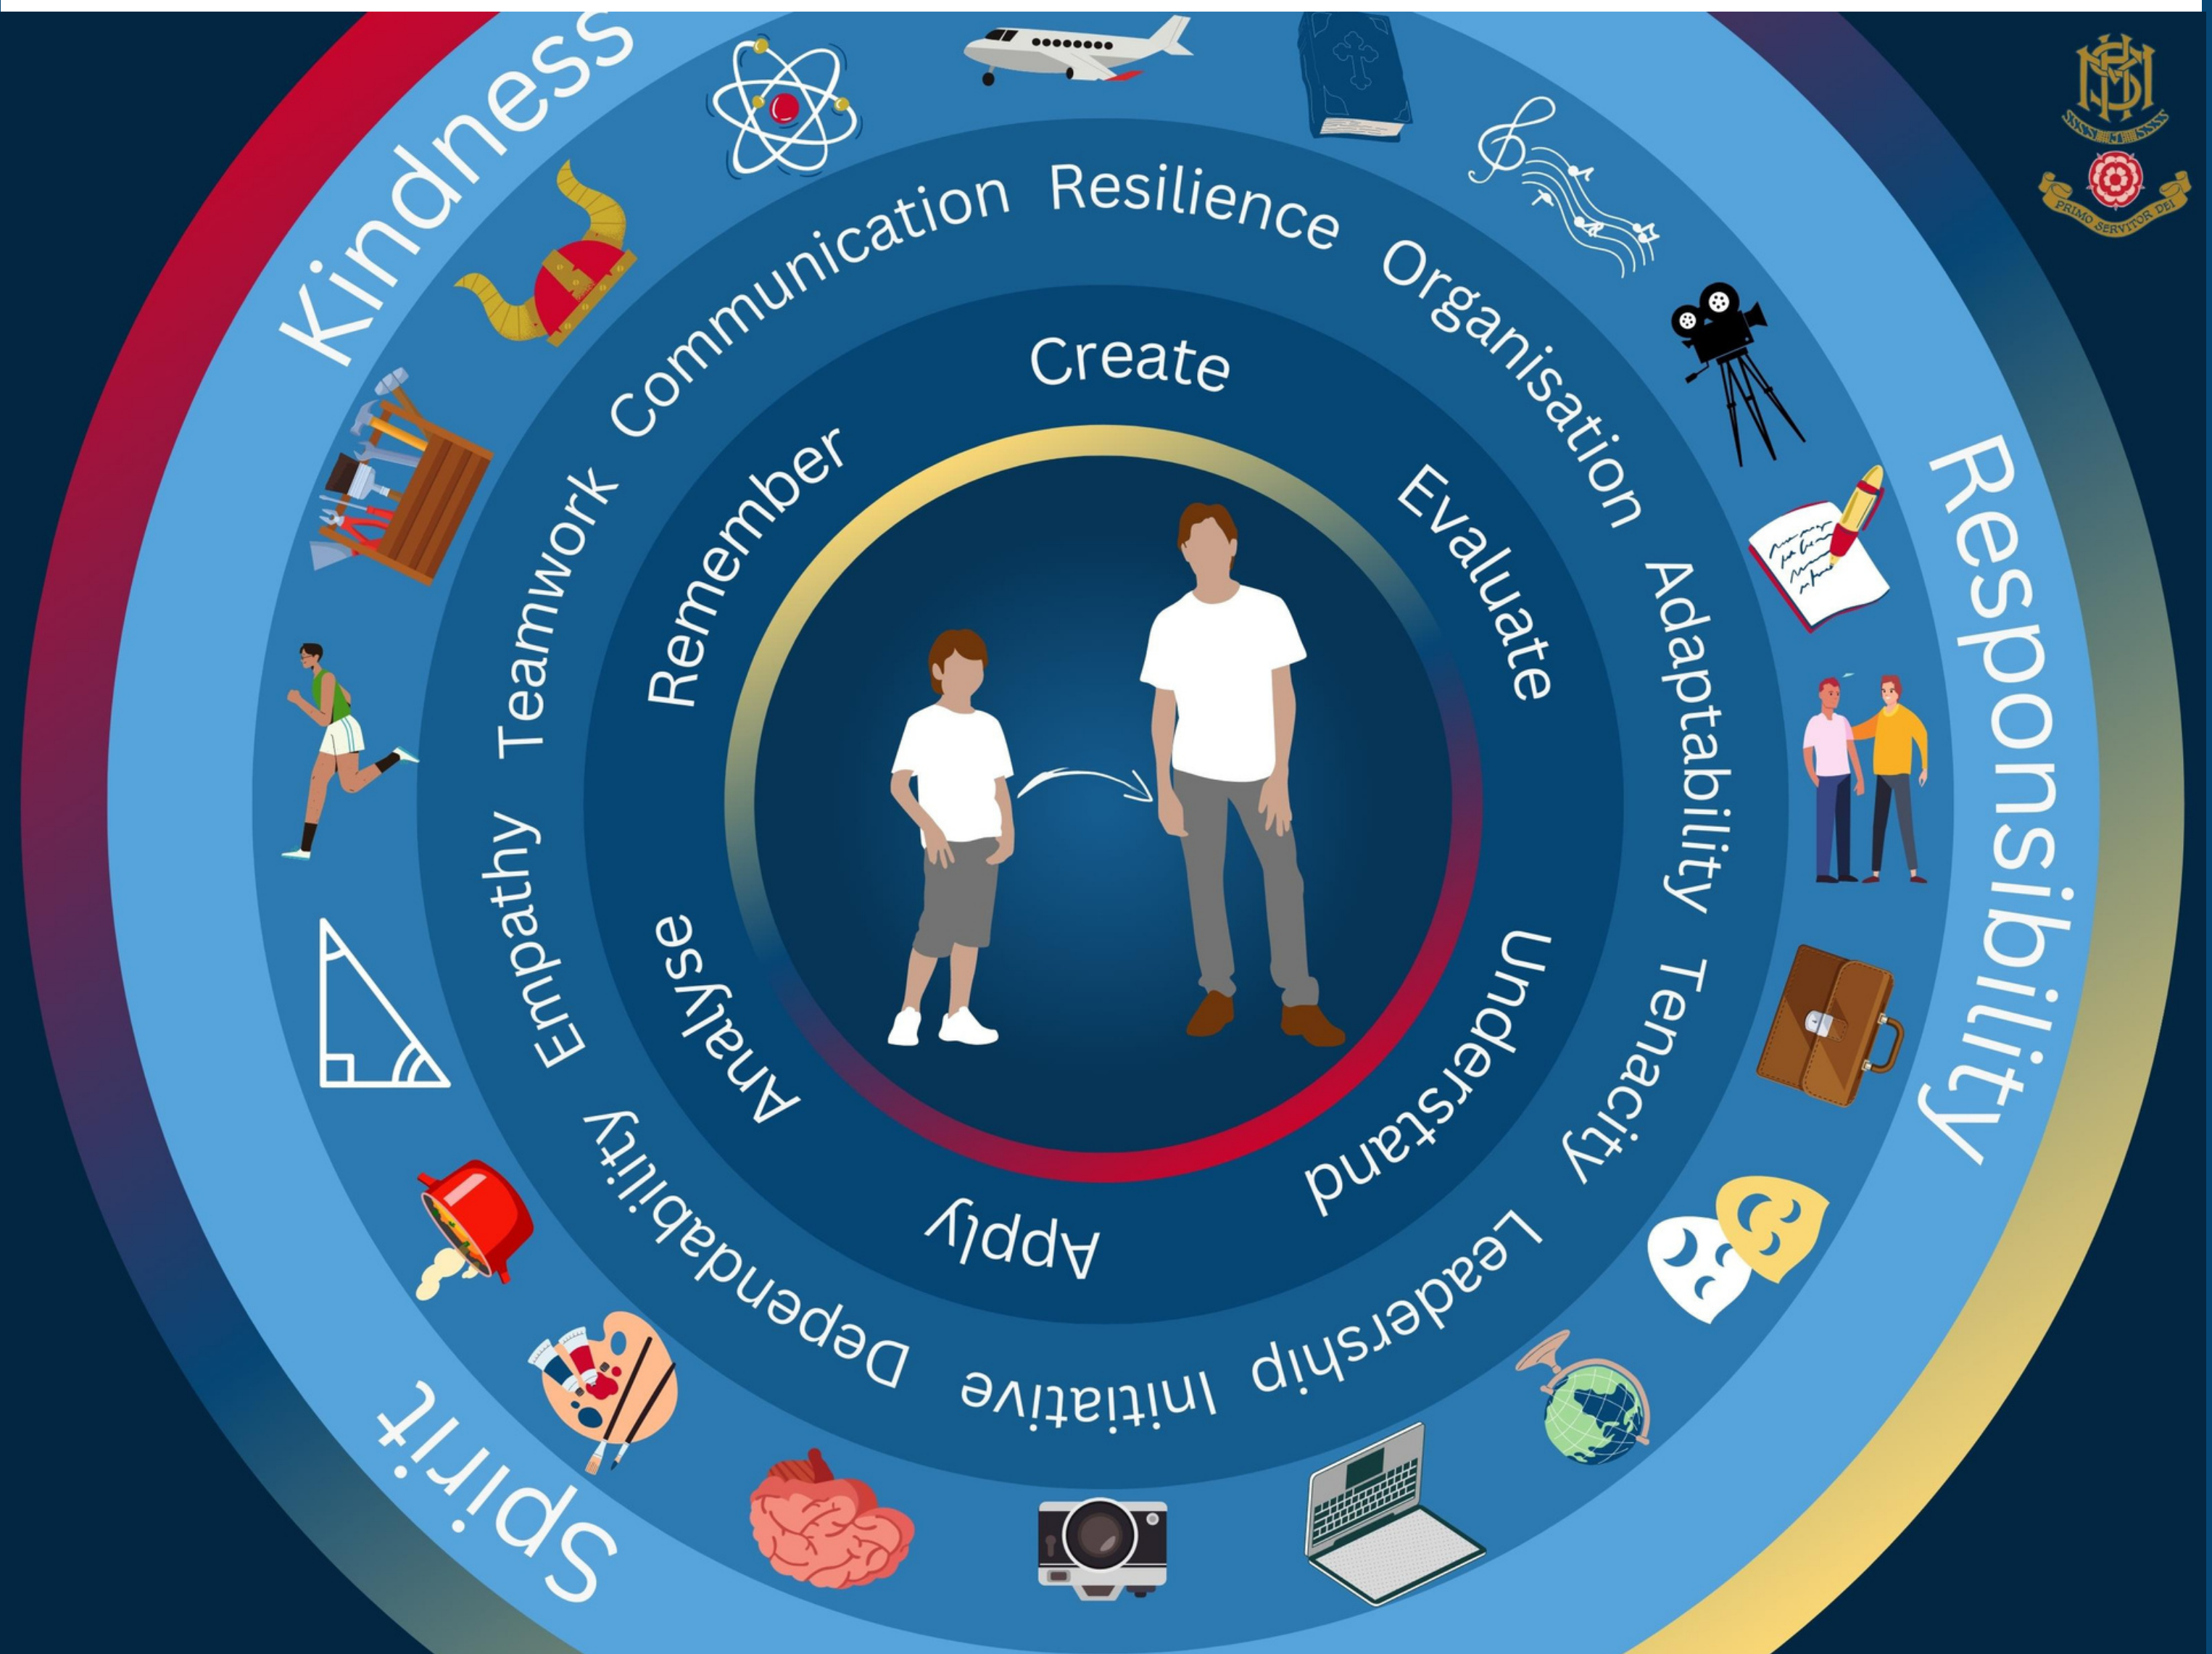

Dear Parents / Carers,

The school's PSHE provision, delivered within our Personal and Social Development (PSD) programme is an integral part of our curriculum, helping our pupils to stay safe and healthy but also building self esteem, resilience and empathy. We believe that the PSHE taught in classrooms fosters lifelong aspirations, goals and values which will help them prepare for all opportunities, challenges and life decisions.

This booklet outlines the PSHE journey throughout the school. You will see that there are three reoccurring core themes of Health and Wellbeing, Relationships and Living in the Wider World with age-appropriate topics tailored to meet the needs of every pupil.

Yours sincerely,

Miss Collington, Director of Personal and Social Development

Junior School PSHE Learning Journey
