

Clubs and Activities

Welcome to our After-school Activity page

More House School's After-school Activities programme continues to provide a breadth of activities that will appeal to all ages and all interests. We hope that the variety of activities on offer will further support your son's academic, social and emotional confidence in addition to that which he receives from the formal curriculum and that which he receives from our more extensive range of 'free' extra-curricular provision.

I am happy to announce the continuation of On-Site Activities at More House School will continue for the 2020 Michaelmas Term. Unfortunately, for the time being, Off-Site Activities and Paid On-Site Activities will have to be postponed, with the exception of Music Theory Club. Providers of external clubs are happy to run clubs for More House School students when we, as a school, feel comfortable.

Attached on the bottom is a PDF of the Activities we are running currently for the Michaelmas Term

Physical

Two physical clubs will be offered to each year group a week. They will take place outside on the field or playground or on the field. Some exceptions are when certain boys have asked for particular clubs to be run.

Indoor

Indoor activities will be run within year groups which include two indoor activities a week. These range from Film Club to Story Club.

Academic

Support classes for GCSE and BTEC have been expanded; see the main timetable for full details. Music and Drama clubs operate each afternoon Monday to Thursday inclusive during term-time.

Paid Opportunities

Currently for this term we will not be running any external paid clubs or baking. However, we can offer Music Theory Club for Year 9 – Year 13. Please use the email address below for more information.

Please contact: [Mr Rory Flynn, After-school Activities Coordinator](#)
