Dear Parents,

As part of our commitment to providing a broad and enriching curriculum, your son has been studying Spanish once a week throughout Year Seven and I hope that he found the lessons rewarding.

However, we are aware that some pupils have found studying a Modern Foreign Language extremely challenging to the point where it becomes a stressful experience which is, of course, not our aim. Therefore, for boys who find Spanish just too difficult, we are offering an alternative lesson which will focus on the development of a range of skills including literacy, emotional wellbeing, etc.

For me to have a better understanding of your son's views on Spanish in Year Eight, I would be grateful if you could complete the online survey (link below) by Monday, 2nd May 2023.

Yours sincerely,

Penni Kerr
