POLICY

PROVIDER ACCESS policy statement

Introduction

This policy statement sets out the school's arrangements for managing the access of providers to pupils at the school for the purpose of giving them information about the provider's education or training offer. This complies with the school's legal obligations under Section 42B of the Education Act 1997.

Pupil Entitlement

All pupils in years Eight to Thirteen are entitled:

- to find out about technical education qualifications and apprenticeships opportunities, as part of a careers programme which provides information on the full range of education and training options available at each transition point;
- to hear from a range of local providers about the opportunities they offer, including technical education and apprenticeships – through options events, assemblies and group discussions and taster events;
- to understand how to make applications for the full range of academic and technical courses.

For pupils of compulsory school age these encounters are mandatory and there will be a minimum of two encounters for pupils during the 'first key phase' (years Eight and Nine) and two encounters for pupils during the 'second key phase' (years Ten and Eleven). For pupils in the 'third key phase' (years Twelve and Thirteen), particularly those that have not yet decided on their next steps, there are two more provider encounters available during this period, which are optional for pupils to attend.

These provider encounters will be scheduled during the normal school-day hours and the provider will be given a reasonable amount of time to, as a minimum:

- ◆ share information about both the provider and the approved technical education qualification and apprenticeships that the provider offers;
- ◆ explain what career routes those options could lead to;
- ◆ provide insights into what it might be like to learn or train with that provider (including the opportunity to meet staff and pupils from the provider);
- ◆ answer questions from pupils.

Meaningful provider encounters

One encounter is defined as one meeting or session between pupils and one provider. We are committed to providing meaningful encounters to all pupils using the [making it meaningful checklist](#).

Meaningful online engagement is also an option, and we are open to providers that are able to provide live online engagement with our pupils.

Previous providers

In general terms/years we have invited the following providers from the local area to speak to our pupils:

Premises and Facilities

- ◆ The School will make the appropriate facilities available for discussions between the provider and pupils, as appropriate to the activity. The School will also make available A.V. and other specialist equipment to support provider presentations. This will all be discussed and agreed in advance of the visit with the Careers Adviser.

Meaningful online engagement is also an option and we are open to providers that are able to provide live online engagement with our pupils.

- ◆ Providers are welcome to leave a copy of their prospectus or other relevant course literature at the School where it will be made available to pupils through the School library. The library is available to all pupils during morning break, lunch-times and also in supervised library lessons.

Complaints

Any complaints with regards to provider access can be raised following the School Complaints procedure, published on the School website, or directly with The Careers & Enterprise Company via provideraccess@careersandenterprise.co.uk.
